"Diviner's Rod" Finds Treasure

Edward Jeffrey (right) inventor, and William Ney, operator, of a scientifically constructed divining rod that actually located Jesuit treasure chests of the 17th century sunk in the Wye River, Ont. Inset, a 300-year-old skull found with the treasure

Stands on Head While Will Is Read

A choir boy stands on his head while portions of the will granting properties at Leighton Buzzard, England, to charities is read. It must be done once a year. The man who stipulated that died 300 years ago.

Al Has His Hands Full

Al Kaufman, of Washington, D. C., with the triplets the stork brought two months before he was expected. Two girls and a boy, their aggregate weight is 14 pounds and one ounce and all are doing nicely, thank you.

Fingerprints Prevent Baby Switching

Mrs. Harriet Kelly and her baby are fingerprinted in a New York hospital. Physicians at that hospital hereafter will follow this procedure to prevent any possible mix-up of new-born babies.
